

Spotnana Events

Simplify travel management for groups of any size traveling to the same destination, anywhere in the world

Revolutionizing the way people gather in-person

Spotnana Events empowers employees and guests to book their own travel for events of any size including company-wide offsites, team meetings, or any other gathering.

Bring teams together for shared in-person experiences with ease

Advanced travel controls

Control what travelers book by setting policies, travel windows, designated airports, and/or hotels

Self-serve travel management

Add travelers through HR integration, list upload, or manual entry, and invite them to book their own travel

Support for Guest booking

Invite guests outside your organization to attend an event and complete their own travel bookings

Real-time event insights

View real-time booking data to monitor booking status for invitees and event travel spend

Set up an event in minutes and book travel in an instant

Simple event creation

Create an event description and specify the event date, location, designated travel windows, designated airports and/or hotels, and forms of payment.

The screenshot shows a 'Create event' form with the following fields and options:

- Event name***: (empty)
- Event location***: San Francisco, CA
- Marketing Offsite**: (empty)
- Point of contact***: Ashley Thompson (ashley@spotnana.com)
- Event cover image**: A row of four image thumbnails with an '+ Upload' button.

Automated email invites

Add event participants, including guests, and send emails inviting them to RSVP to the event and to directly book their travel.

Seamless travel booking

Invitees gain access to comprehensive global content and industry-leading self-service capabilities.

24/7 global support

Travelers can request support at any point in their booking process. Agents are available 24/7 and can be reached via live chat, email, or phone.

Spotnana Events provides event coordinators with the ability to:

- ✓ Create events for an unlimited number of attendees
- ✓ Add branding by uploading custom imagery or choosing from AI-generated images
- ✓ Set travel windows and policy restrictions
- ✓ Choose payment methods from a range of options
- ✓ Add travelers manually or via bulk upload
- ✓ Invite travelers to self-book and send automated reminders
- ✓ Enable self-serve guest booking
- ✓ Monitor booking status and travel spend in real-time
