

# Spotnana for corporate travel managers

Spotnana powers unparalleled travel experiences

## Common challenges with corporate travel

### Cost

Corporate tools don't have great prices or selection

### Adoption

Travelers book outside of corporate tools

### Service

Long wait times to get help from a travel agent

## Spotnana offers a new level of savings and simplicity

### Reduce travel program costs

Guide travelers to the most affordable options with comprehensive global content across airlines, hotels, and more

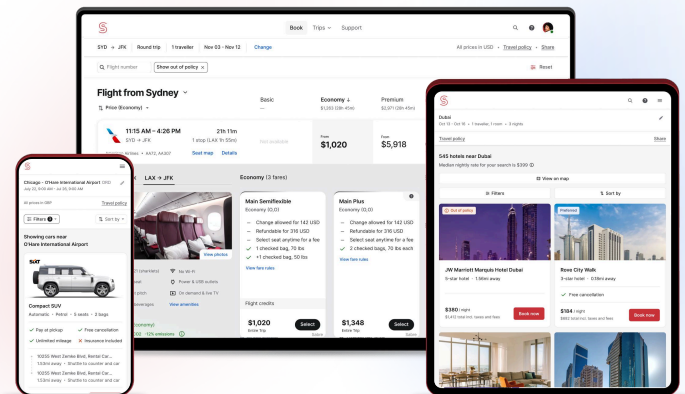

### Increase program adoption

Offer a modern online booking tool with personalized travel shopping

### Improve traveler experiences

Empower travelers to change trips easily online, even for NDC bookings — with an average of 95% of bookings through self-service

Consumer-grade user experience

# We give travel managers unrivaled visibility and control

## + 95% average policy compliance

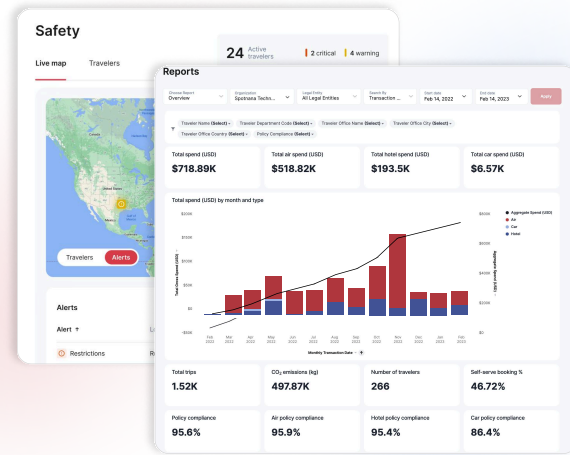

Benefit from advanced policy controls and flexible trip approval workflows

## + Safety and sustainability

Manage traveler safety and create travel policies that reduce carbon emissions

## + Real-time global analytics

Gain unprecedented insights into travel spend, suppliers, compliance, and more

Real-time global data integration

## The easiest way to manage global travel

### One platform deployed globally

Manage your entire global travel program from a single self-service console

### Integrate best-in-class systems

Connect quickly and easily to your preferred tools for HR and expenses

### Combine ultimate flexibility with maximum control

Advanced tools to keep travel spend in check with minimal overhead

## Spotnana's growing ecosystem of TMC partners
